

# REGIONAL ROUNDTABLES

## What is it?

Zim Sailing Regional Roundtables are one-day roundtable style gatherings designed to bring together sailing community and industry leaders from a particular geographical region to discuss, share insights, and collaborate on various aspects of the sport. The Zim Sailing Regional Roundtables serve as a platform for individuals and organizations within the sailing community to connect, network, learn from one another, and contribute to the growth and development of sailing activities within their specific region. Our series is back for 2025 with multiple events planned in communities around the country

## Who Should Attend?

If you are a sailing community professional, leader, or volunteer we would like to invite you to join one of our Zim Sailing Regional Roundtables. All are encouraged to attend no matter if you are from a Yacht Club or Community Sailing Center, an Instructor or Coach, a Committee Chair or a Regatta Organizer, or from a High School or College Sailing Program. If you care about sailing activities in your region, you are welcome at a Zim Sailing Regional Roundtables.
